

## I could help you ...

- to plan trips around Altes Land or to the Hanseatic City of Hamburg
- to get to know Northern Germany and discover beautiful places
- to find your way around faster and to feel welcome in our region

Would this be an offer for you?  
Then you should contact me.

## My EXPERIENCE so far

More than **30 years of service** in different positions as **service provider** while working with different people and characters; finally for Human Resources of a large, international US-Group in Hamburg.

**Organisation of jaunts, holiday trips as well as company events and birthday parties.**

## For guests and new citizens

**Accompanying service for SENIORS and WOMEN,**  
who want to take initiative or be active

### My MOTIVATION:

Nobody should be alone or feel left out, there are - especially in our region - so many beautiful things that want to be discovered.

## You would like to ...

- go to a theater or a concert?
- discover the North Sea as well as wind and waves?
- sit comfortably in a café near the river Elbe with a good conversation?
- enjoy a good meal in a restaurant or watch animals in the zoo?
- go for a nice walk?

## Fulfillment of wishes and dreams

I do not know your wishes but I am convinced that I can help you to realize your dreams and fill them with life.

I would like to „pick you up“ and help you to the feeling to be mobil & mittendrin.

**„Give every day the chance to become the most beautiful day of your life.“**
